SODEXA

L'International sur mesure
Customized international service

International expertise

Peugeot Sodexa is an Operational Department of the Automobiles Peugeot International Business Department.

We manage the direct sale excluding tax of Peugeot vehicles in France and worldwide. Within this framework lies our mission: to satisfy the special needs of an international clientele accustomed to high-level services.

Our clientele consists of diplomats stationed in France or abroad, expatriates outside the European Community – French and other – corporations requiring vehicles abroad, international

organizations, and all foreign tourists that are not European residents traveling in Europe.

Peugeot Sodexa is a specialized service firm dedicated to meeting a wide range of needs, in a field where our experience has given us know-how acquired over forty years. Our notoriety in the eyes of highly sought customers, who are often pressed for time and always demanding, offers proof of this.

We offer tailored products and individualized solutions: sales excluding tax per unit (TT), vehicle exports, and we can also respond to international contracts submitted by bid invitation.

A high level of service

All the Peugeot Sodexa departments are located near Paris-La Défense and generate the sale of more than 27,000 Peugeot's each year.

At Peugeot Sodexa, you get a personalized welcome, attentive staff and permanent availability.

Our team of some 100 representatives is at your service. These representatives are multilingual specialists whose primary goal is to give you a personalized welcome, regardless of your request.

Their in-depth knowledge of the markets and needs of a mobile, international clientele means you can trust them to recommend the Peugeot vehicle best suited to you.

They will know how to advise you in terms of model features, transit, customs clearance, registration, insurance, assistance, special products, and specific aspects of foreign markets.

Custom-built expertise

To each country, its vehicle. Conditions of use, climate, technical constraints, regulatory and safety standards, laws, and right-hand or left-hand driving are all factors that are taken into account when recommending a vehicle.

Within the Peugeot corporation, Peugeot Sodexa is entrusted with ensuring delivery of its customized models to the country of destination. Peugeot Sodexa also has the expertise to organize vehicle exports anywhere in the world under the best time and safety conditions.

Peugeot Sodexa is supported by the Peugeot network, one of the densest and most efficient networks in the world, with thousands of representatives working for car owners who place their trust in Peugeot. Peugeot Sodexa conducts business in more than 85 countries worldwide.

You are a member of the diplomatic corps or of an international organization, and you have a diplomatic passport or a currently valid special card that allows you to register in the duty country without paying tax. The Peugeot Sodexa special export sales department is at your service.

This department offers you the expertise and professionalism of our specialists, who are accus-

tomed to handling special types of requests:

- diplomatic rates
- vehicles adapted to the conditions of use of a country
- delivery in France, Europe, or elsewhere in the world
- a personalized and confidential commercial offer
- a vehicle conversion or adaptation study, if required.

Conversions and other special vehicles

Peugeot Sodexa can have any special equipment that meets your needs installed in a vehicle.

We develop all the adaptations you could need in partnership with contractors approved by Automobiles Peugeot, such as:

- certified accessories
- special bodies (armored, longer bodies)
- refrigerated vans
- 4-wheel drive or stronger horsepower versions
- ambulances
- light vehicles for transporting people or goods (minibuses, minivans, MPVs)
- specialized utility vehicles such as shop pick-up trucks or vans
- vehicles designed for driving by the disabled or for transporting mobility impaired persons.
